

# 15. *coming out of hiding*

fawm 2021

it ain't always good ... to be wanted  
it all depends ON the price ON one's head  
it's often no good to be hunted  
if them that's HUNTING is WANTING one dead

coming out of hiding  
now the world is widening  
so long we've been biding our time...

waiting for the rhyme

it ain't always bad... to be lonely  
it all depends ON what's next ON one's road  
a little PERSPECTIVE isn't the only thing  
which to GET is like a DEBT one is owed

coming out of hiding  
isn't it exciting  
so long, now, we're riding the wave...

fortune favours the brave
