

**unmarked pathways  
through unknown fields  
what the uncommon  
uncharted moment yields**

**unknown passings  
through time and space  
epics unfold untold  
without a trace**

**lonely funerals  
no sticks or stones  
waiting for the wolves  
to scatter the bones**

**unmarked pathways  
through stranger lands  
oh what stories  
pass through unknown hands**
