*Why are there so many songs about rainbows*

*And just a few great songs about bullfrogs?*

*Or the unsung heroes of the waterdogs?*

*Legends that nobody knows.*

**In a high mountain pond in Colorado,**

**There was born a tadpole, and Jazz was his name.**

**He would go on to become one of the greatest,**

**But the greatest bullfrogs have no claim to fame.**

**Uncelebrated... but better than Calaveras.**

**Every other bullfrog is embarrassed.**

**Jazz! Jumps all over Jiminy Christmas.**

**Jazz! Jumps like no one's business.**

**There are no records to tell the Jazz story.**

**But some say he ruled in every category.**

**Hear the ghosts of a million flies, they buzz...**

**No monuments to the greatest bullfrog that ever was.**

**The great unknown... way better than Kermit.**

**Didn't date no pig, lived life like a hermit.**

**Jazz! Jumps higher than Lebron.**

**Belongs in the batrachologic pantheon.**

**Watch the skies and harbour no illusions:**

**If past is prologue, Jazz the bullfrog is the conclusion.**

**None other could ever touch this mighty dancer**

**In the afterbog, Jazz the bullfrog is the answer.**
