

13. *in a nutshell*

fawm 2021

O God, I could be bounded in a nut shell
and count myself a king of infinite space,
were it not that I have bad dreams.

central moravia - life is sweet
living in my little nutshell
fifteen feet x fifteen feet
bounded in my little nutshell

out the window: UP-FTK
living in my little nutshell
high probability the sky is grey
outside my little nutshell

got everything i could ever need
here in my little nutshell
couple hundred books that i never read
here in my little nutshell

a desk and a chair and a comfy bed
all in my little nutshell
a pretty good connection to the internet
here in my little nutshell

banjolele, harps, and a blue guitar
here in my little nutshell
a thousand korunky in a spaghetti sauce jar
all in my little nutshell

drawers full of rubbish, head full of schemes
all in my little nutshell
bottles full of antidote for pesky dreams
here in my little nutshell

my central moravian hiding place
here in my little nutshell
count myself the král of infinite space
here in my little nutshell

here in my little nutshell! here in my little nutshell!
