

how long ya been waitin? how long ya been waitin?  
how long ya been waitin? how long ya been waitin?  
how long ya been waitin roun' here? how long ya been waitin, ma dear?

i believe i saw ya years ago  
cursin up a storm ... #\$\$@! ... shovellin snow  
made ma poor ol' brain and eardrums sore  
there were rumours ya was wealthy once  
and rumours ya ain't trust no ones  
wondered what ya's waitin roun' here for...

how long ya been waitin? how long ya been waitin?  
how long ya been waitin? how long ya been waitin?  
how long ya been waitin roun' here? how long ya been waitin, ma dear?

*party people in the place to be  
party people in the place to be  
party people in the place to be  
aaaaaaaaaah yeaaaaaaaaaah*

well ya crossed my mind 'gain the other day  
when i's bustin m'ass baling hay  
felt ma face crack a big ol' sweaty grin  
later on, i's thinkin on it  
set down n writ this little sonnet  
'bout when'll i see the likes of ye again...

how long was you waitin? how long was you waitin?  
how long was you waitin? how long was you waitin?  
how long was you waitin roun' here? how long was you waitin, ma dear?  
how long was you waitin, ma dear?  
how long was you waitin, ma dear?
