deepheart

deep.... heart

deep.... heart

in some contexts
“bottomless”
excites me

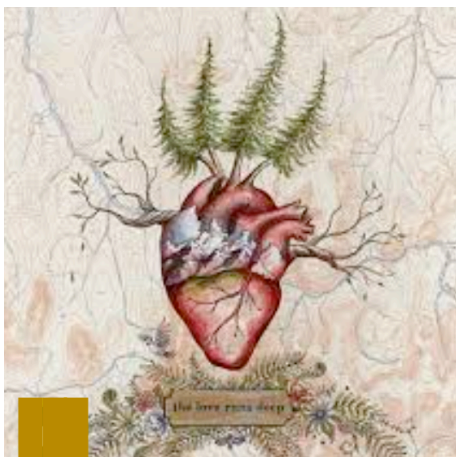

other times
it fills me
with fear

i think of sinking
to the bottom
of the ocean

dunno what feeds
on the bottom
‘round here

deep.... heart

deep.... heart

deep
makes it hard
to touch the bottom

deep
is how i like
to sing – pitch shift oooooooooo

deep
is how i like my
philosophisosillyquies

but deep
is a relative
thing

deep.... heart

deep.... heart

i love
“how deep
is the ocean?”

i love
wondering
wherefore thou art.

i been
wondering
about your bottom...

when you say you love me
from the bottom of your
heart.
