

fawm done me wrong

fawm 2024 – act 1 – counting crossroads

i been up
all night again
not wreturning calls
to all my friends
can't be bothered
to empty out the bins
i been up all night fawmin again

fawm done me wrong
why couldn't i be strong?
how can a simple melody take so long?
tryin to find a better word that wrhymes with shlong...
this was s'posed to be a love song...
fawm done me wrong

i been inside
ain't seen the sun
since the month
of february begun
gonna stay here in the trenches
till the battle's won
think the fawm got me come undone

fawm done me wrong
why couldn't just one viral megahit come along?
can't program drums (drum solo) might as well bang the gong.
tryin to find a better word that wrhymes with dong...
this was supposed to be a new greatest hits song
fawm done me wrong
