

fireball's lonely hearts club band (hearts and minds and bodies)

**fireball's lonely hearts club
population one
healthy young body and big ol'heart
slowly coming undone**

**fireball's lonely hearts club
room 216
thirty bucks a night off the interstate
the sheets are mostly clean**

**fireball's lonely hearts club
reading the online news
bubonic plague and alaskapox
which one would i choose**

**fireball's lonely hearts club
tryin not to complain
CO₂ in the atmosphere
amyloids in my brain**

**fireball's lonely hearts club
sometimes best not to understand
the laws of thermodynamics
and fireball's lonely hearts club band**
