

# HANGOVER

Em C D Em C C (intro = verse)

Halos hanging over me ... and my prophec

Em C D Em C C

-y. I don't want to wake my blissful sleep. Aaaaa

Em C D Em C C

Angels 've come into my dreams ... and won't let me

Em C D Em C C

be... or not to be...

Am G D D

swords and pendula swing above my head

Am G D D

my life hanging over me down in my sick bed

G D Em C

These visions give me their sweet kiss of mortality

G D C C

These dark sharp halos hanging right over me

Em C D Em C D

Shadows in my endless night... misleading

Em C D Em C C

light that shines off mindblades wild and bright. Aaaaaaaa

Am G D D

suspended in the ether where i live and breathe

Am G D D

all my days hanging over me writhing just beneath

G D Em C

These nightmares ride me though they're surreality

G D C C

These moments cut me but my veins refuse to bleed

Am Em G D

Dark sharp halos hanging over me

Dark sharp halos hanging over me

**G                          D                          Em        C**

**These nightmares ride me though they're surreality**

**G                      D                      C                      C**

**These moments cut me but my veins refuse to bleed**

**G                      D                      Em                      C**  
**These visions give me their sweet kiss of mortality**

**G D C C G**  
**These dark sharp halos hanging right over me**
