

FAWM 2024 – o b o

**ol' buddy orange
oh how you've changed your ways
ol' buddy orange
I know you've seen better days
if I look really close
can almost see
the remnants of your smile
ol' buddy orange
you're going down in style**

**o b o
I love this time of year
o b o
you spice up our coffee and beer
see the seasons saunter by
in a span of 28 days
oh buddy your
orange memories blaze**

**o b o
I remember the taste of your seed
o b o
you gave up your life for feed
will always be grateful
you provided
our sumptuous regale
raise a glass to buddy orange
we toast your pumpkin ale**
