

FAWN 2025

## 1 first midnight

february 1, 2025

*start alla cappella*

*moving hands  
time the game  
round round round  
same same same*

*hours and minutes  
ours and theirs  
songs at midnight  
musical chairs*

*play the intro  
hatch yer plan  
first midnight  
since the new age began*

orbs in motion  
time in flux  
missing seasons  
bag full of fucks

chords and chorus  
lost romance  
songs at midnight  
sleepless dance

talk about the passion  
machine learned rage  
first midnight  
since we turned the page

*bell toll*

clock strike **1** echoes  
down each lonely **2** path  
premo **3** nitions  
of the after **4** math

cartoon **5** faces  
clandestine **6** raids  
songs at **7** midnight  
harmony **8** fades

recon **9** sider  
wayward **10** ways  
first **11** midnight  
for the **12** rest of my days
