3 chinese kinase

february 11, 2025

burning the midnight baijiu down at the TCM

regulation of migration and proliferation of the cells of us and them

angiogenesis and apoptosis and control of metabolism

pulling all the strings behind the curtains of things – biochemical exorcism

going market shopping in Huanan

doing the kinase research in Wuhan

a man, a plan, some contraband, the devil and the pangolin hand-in-hand

doing the kinase research in Wuhan

up all night and sleep in shifts in the bowels of the secret lab

eye of newt and toe of frog and chinese mitten crab

singing double double boil and bubble fee fie foe flibbertigibbet

seeking in the deep twixt moments of sleep for the pathways to inhibit

going market shopping in Huanan

“Eye of newt, and toe of frog,
Wool of bat, and tongue of dog,
Adder's fork, and blind-worm's sting,
Lizard's leg, and owlet's wing,—
For a charm of powerful trouble,
Like a hell-broth boil and bubble.
Double, double toil and trouble;
Fire burn, and caldron bubble.”
