4 flamen for janus

february 12, 2025

flamen – a priest serving a particular deity

Janus – the Roman god of beginnings, gates, transitions, time, duality, doorways,
passages, frames, and endings

i'm here to say: **say what?** it's the beginnin of this song.
can I get an amen? **amen!** I'll be singin it jus as long
jus as long as it takes ta get da message ta send
deliverin the truth till we get to da end
an I'm'a say: **say what?** that's the beginning of this song.

straight out the gate... **now what?** here comes a transition.
i'm on a roll... **rock n roll say what?** yeah, i'm on a mission.
i'm bustin into the wild like alexander mccandless
set myself on fire cuz I'm a flamen for janus
so here it comes... **oh yeah?** here comes a transition.

Time and space
duality
do a little dance
around the speed of c

two-timing two-faced
that's the preference
passages and doorways
and frames of reference

and now here we go: **say-what?** it's the endin of this song.
can I get an amen? **Hallelujah!** ya knew it was comin all along
three straight minutes -- remember how I wowed ya
now the whole shebang's done and all ya got's the nostalgia
so listen up: **say what?** that's the endin of this song.

Big vocal multidirectional mishmash...

every new beginning starts from some other beginning's end
