And sorry that I could not nibble both

And be just one John long I stood

So many Johns in this town.

Johns in their trucks. Johns on their CBs.

So many Johns in this town.

That you, John? Slow down, John.

John cheeK, bass player extraordinaire.

Hardcore Alaska sourdough with the best hair.

Jon Dratsky, with the guitar and the pretty mouth

Moved to Anchorage now he's moving further south.

John Knechtel, I barely know him.

These are the Johns I know, I know.

These are the Johns I know...
