

**FAWM 2025**

## **14 was it me?**

february 22, 2025

**I planned it for weeks  
all the finest boutiques**

**there for all to see**

**I wore my best shirt  
but none of it worked**

**was it me?**

**so many details  
no time for fails**

**nothing could harm me**

**the best laid path  
I did all the math**

**enlisted my army**

**through these tears I can't see...**

**was it me?**

**how much more perfect could I be?**

**was it me?**

**could I have sung some sweet melody?**

**was it me?**

**was it me? was it me? was it me?**

**was it me?**

**I planned it for weeks  
all the finest boutiques**

**then I let the game play**

**but none of it worked  
so I took off my shirt**

**and by halftime, turned it off, and walked away**
