First tab for yalls, but definitely not my first barbecue. Sorry about chord spacing, couldn't figure out why it wanted to spread so much.

No chords, first sung pitch is an Eb

Love is a many, splendoured thing
Love, lifts us up where we belong
All you need is love
Please, don't start that again
All you need is love
A girl has got to eat
All you need is love
She'll end up on the streets
All you need is love
Love is just a game
